Petition to Withdraw Bill No. 050575 from Consideration by the Council of The City of Philadelphia

Councilwoman Blackwell:

On June 2, 2005, you introduced Bill No. 050575, subsequently amended and accepted by Philadelphia City Council on June 15, 2005, which would authorize The City of Philadelphia to enter into an agreement to lease the building located at 4508 Chestnut Street for the purpose of establishing a homeless shelter. We feel that this 70,228 square foot shelter, zoned for a minimum of three hundred forty beds, would have a catastrophic impact on the surrounding community.

As homeowners, landlords, tenants, institutions, and developers with properties in the immediate area surrounding 4508 Chestnut Street, we, the undersigned, request that you withdraw Bill No. 050575 from consideration by City Council.
