

*Channel 956 & 957  
Masonic Village Elizabethtown  
Television  
Provided by Residents for Residents*

## **MVEtv Slideshow is now available on your electronic devices**

Residents, did you know it can take over 10 minutes to view the entire slideshow rotation on MVEtv? Does it seem as if you always just miss the slide you wanted to view? Now, by entering either link below, you can view all of the slides at your own pace. Once you open the site, click the arrows on the right or left to view the slides. This is great for copying down information or looking at the slide you missed during the 10-minute rotation. You can also bookmark the link and view the slides at your leisure. Both channels show exactly the same slides.

Please give the link a try and you'll always know what the soup of the day is, right on your desktop, laptop, tablet, iPad, iPhone or smart-phone.

**Note that you will NOT see any of the exercise or relaxation videos, nor will you see the Sell Chapel service on Sunday via the slideshow on your computer.**

## **Everything you wanted to know about MVEtv.**

**Q. What is MVEtv?**

A. The cable television system at the Masonic Village at Elizabethtown includes two channels of local information - 956 and 957. All residents are urged to check them out regularly.

**Q. Who provides the content of MVEtv?**

A. The content of these two channels is maintained by Residents and contains information about upcoming events, activities, and important announcements of interest to all Residents. Additionally, the slide screen displays the current Time,

Date and Weather forecast. If you would like to help out, please contact [mvtv@masonicvillages](mailto:mvtv@masonicvillages), to volunteer.

On Sundays, the religious services in Sell Chapel are broadcast on channel 956 from 8 am to their conclusion at 12 noon.

Both channels are occasionally used for Emergency Announcements via messages which crawl across the bottom of the screen.

Some residents simply leave their TVs tuned to Channel 956 or 957 all the time to enjoy the background music.

**Q. How long does it take to watch all the slides?**

A. The Slideshow takes approximately 10+ minutes to completely cycle through all the slides containing any given day's announcements.

**Q. Can I watch the slides without sitting in front of the TV?**

A. Many of you have access to a computer of some sort - a tablet, iPad, iPhone, smart-phone, laptop, or desktop.

To view the MVEtv slide show, simply enter either link above into your favorite browser and press return. It should work in any device.

**Q. Will I see everything the same as on the television.**

A. You will see the same slide presentation as you would see watching channel 956 or 957 on your Masonic Village television. However, certain programming, such as the Sell Chapel worship services on Sunday, are only visible on your television on channel 956. Similarly, the exercise videos, which appear on channel 957, cannot be watched on your computer.

**Q. Can I speed up or pause the slideshow on my computer?**

You can allow the slideshow to scroll automatically at the same speed as you would see it on the TV, or you can use the left and right arrows to scroll through the presentation at your desired pace to read any slide you may have missed. Remember, you can always go backwards if the slide you want automatically scrolls off your screen.
